Welcome to the OC Triple X Fraternity

Our [Triple X Fraternity – Orange County Chapter](#) was [founded](#) on August 31, 1975, in Newport Beach by seven Los Angeles Chapter Brothers. [The Fraternity](#) has a long history as an [organization](#) of Armenian Brothers, formed in 1918 by a group of young Armenian students at Fresno High School. We enjoy our traditions, culture, and are proud Americans of Armenian descent, along with families and friends, for our public service · [news](#), charitable works · [calendar](#), fellowship · [meetings](#) · [events](#) · [photos](#). Frequent questions on our [about-faq](#) and [contact](#) pages, [tutorial](#), and [scroll below](#).

Excel ADR – Excel ADR

[About Us](#) [How ADR Works](#) [Technology](#) [Glossary Of Terms](#) [Contact Us](#) ★ 

Excel ADR is a proven company that manages ADR programs. Our principals have been administering ADR programs for over 9 years. We have extensive experience in all facets of ADR. We have worked with Build LACCD OCIPs which handles the construction work performed at Los Angeles Community Colleges. Previously we worked for a vendor who provided services to the largest municipality in the State of California for their ADR program. Our experience extends to all aspects of a successful ADR program including Ombudspersons, mediations, arbitrations, and QME/AME's.

Advantages of the ADR Program

1. Prevents unnecessary misunderstandings, disputes and litigation
2. Reduces delays encountered in the state system
3. Improves communication between parties to help resolve issues
4. Increases satisfaction among injured workers
5. Reduces reserves along with Indemnity and medical costs
6. Streamlines the Qualified Medical Examiner (QME) /medical-legal process
7. Decreases and often completely eliminates litigation expenses
8. Reduces lost time and expedites a return to work

An important note to remember - One thing that sets us apart is that we strive to locate the most unusual containers that we can find. This of course will sometimes effect the size and price of your selection. Therefore in some cases the container is as important as the content.

**Best Regards,
Bob & Karen**

HAMMERC

Equipment Rental ♦ Sales ♦ Repairs

California ♦ Toll Free: 888.722.9922 ♦ Nevada

[Equipment](#) [Line Card](#) [Tool & Equip Repair](#) [Credit App](#) [Contact Us](#)

While working in the rental industry for over 20 years, I have first-hand knowledge of just how challenging it can be to quickly and easily rent reliable attachments for construction machines. The term "customer service" can quite often be over-used and under-executed. Knowing that I could provide better quality and service, I launched Hammerco with the goal of being the best *IN THE EYES OF THE CUSTOMER!*

At Hammerco, you can expect:

- * 100% commitment to customer satisfaction!
- * Competitive rental rates and sales prices
- * 24 hour customer service and immediate emergency response
- * Quality repair work with warranty
- * Speedy pick-up and delivery service

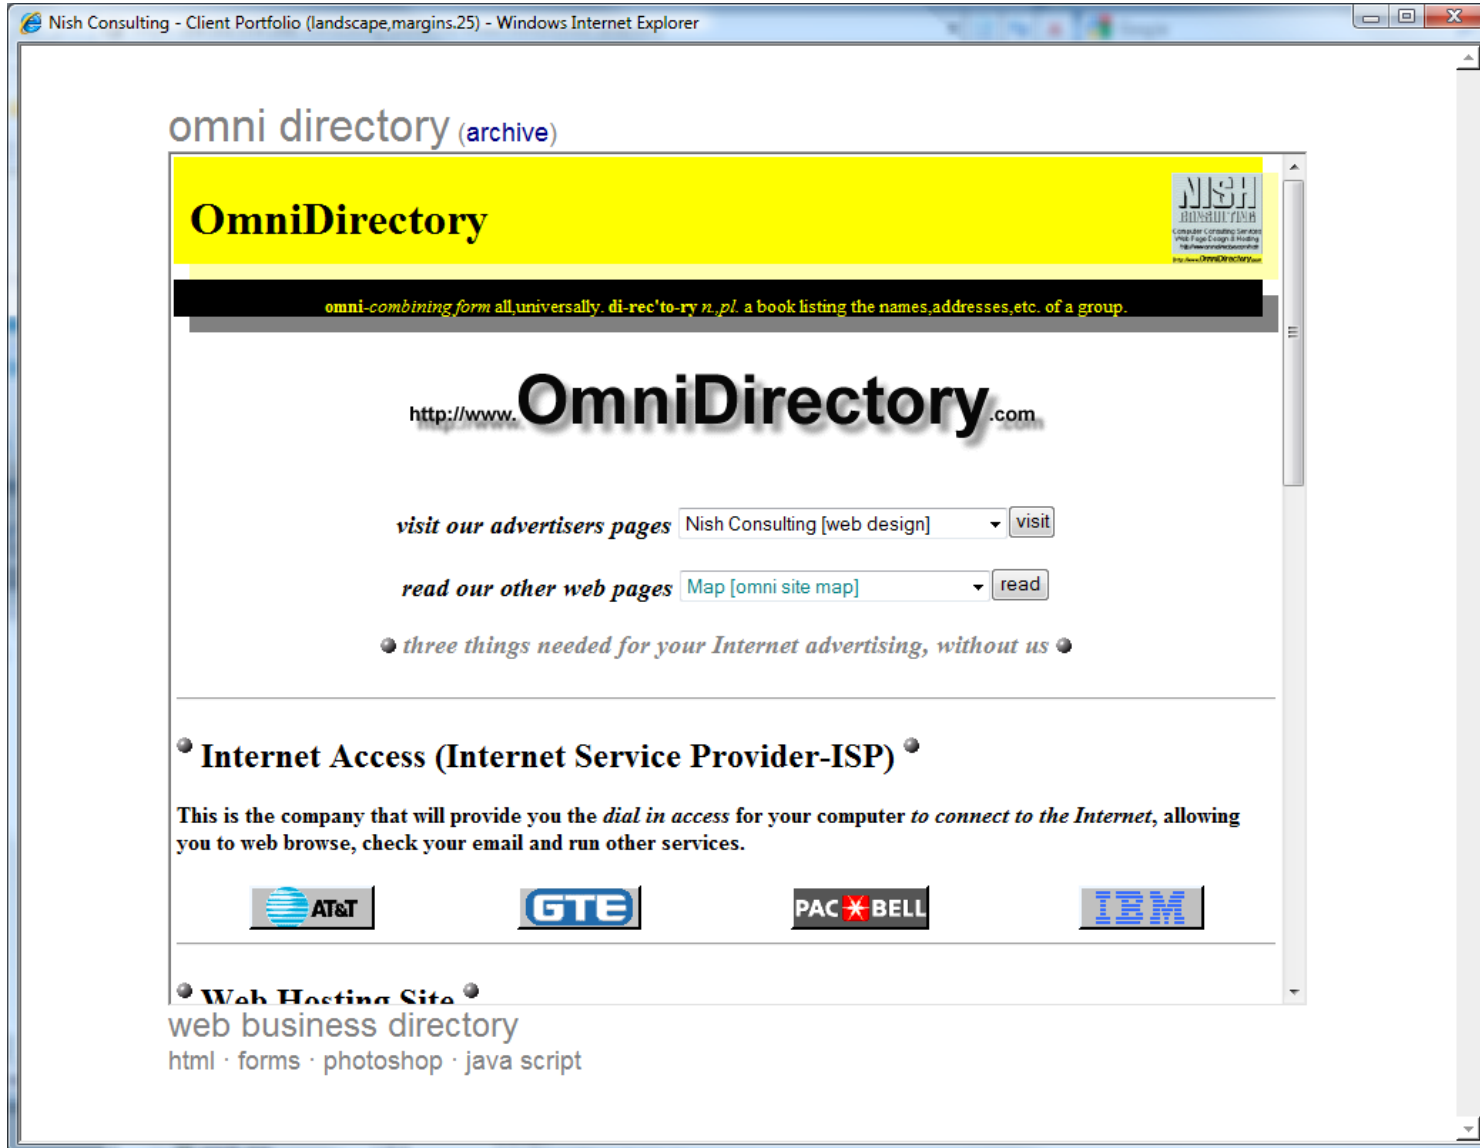

When it comes to equipment, HAMMERC's motto is "simply the best!" We offer top quality attachments for rent and sale manufactured by today's industry leaders. This includes our inventory of Hydraulic Breakers made by companies like HAMMERC, GENERAL BREAKER (GB), KENT, TELEDYNE, SUI Compaction Wheels and Screens, WATERDOG water trailers and others. We repair customer owned attachments and offer timely delivery and pick-up to your yard or jobsite. We are committed to earning your business by providing reliable equipment and quality service at a fair price backed by the best customer service obtainable.

Please take a minute to view our current line card - new equipment is added regularly. Everything you see is available for rent or for sale and we offer an RPO option. If you have questions or need help locating something,
